

Senior Dog Health Tracker

DAILY CARE · WEIGHT · MEDS · VET VISITS

THIS JOURNAL IS FOR

How to Use This Tracker

Caring for an older dog means noticing small changes before they become big problems. This journal keeps your dog's daily wellbeing, weight, medications, meals, symptoms, and vet visits in one place — so nothing slips, and your vet gets a clear picture at every visit.

What's inside

- **Dog Profile & Emergency Contacts**
- **Medication & Supplement Schedule**
- **Weekly & Daily Health Logs**
- **Weight & Body Condition Tracker**
- **Vet Visit Records & Symptom Diary**
- **Feeding & Diet Log**

Tips

- Keep it visible — by the bowl or the door.
- Bring it to every vet visit; the trends are gold.
- Photograph filled pages as a backup.

Dog Profile

Name

Breed

Date of birth / age

Sex & neutered?

Colour / markings

Microchip no.

Current weight

Ideal weight

Insurance / policy no.

Allergies

Chronic conditions

Daily medications

Known conditions & history

Vet & Emergency Contacts

CONTACT	NAME	PHONE
